**Comment/Message:**

I would like the TPUC to intercede for the residents of Tellico Village regarding what we believe to be the overcharging of water rates by the TVPOA. In addition to inflated rates a \$80 a month additional charge was added to the water bill without a vote by the owners. This has caused a tremendous burden on owners,

especially elderly residents. We would like someone to help us reign in what many deem to be a board out of residents control.
