Mr. Martell,

I am assigned the Administrative Judge duties for the above referenced docket. While reviewing matters to determine status last week, I noticed that this application was outstanding and did not have any data request issues from Commission Staff. I found out that Commission Staff who typically reviews these applications has been out. So, I have reviewed the application to determine if there is any additional information that is needed to complete the application.

It appears that no additional information is needed and that this can be scheduled for a hearing. I conduct these hearings via video on WebEx and they typically last between 15 and 25 minutes. If you can verify that Kelly McGriff will be the company witness appearing to testify and let me know your availability and the witness availability for the hearing, I can get the notice issued. If I can get the notice published today, the earliest date we could schedule the hearing is September 12.

The only times for which I currently have a conflict and am **unavailable** through the end of September are: 9/12 from 10:30 am – 12:00 pm; 9/15 from 10 am – 12 pm; 9/23 from 9:30 am to 11 am; and 9/26 after 2 pm.

Thank you for your patience and assistance with this matter.

Sincerely,

Aaron
