RE: Emergency Request – TPUC Rule 1220-04-13-.07(7)

I am writing on behalf of Integrated Resource Management, Inc. ("IRM") to request, pursuant to TPUC Rule 1220-04-13-.07(7), the emergency release of escrow funds.

IRM experienced the imminent failure of system components at Lost Creek Campground, including a sub-panel, dosing panel, and recirculation panel. The repairs began on August 5, 2025, and were completed on August 6, 2025. The invoice for these repairs is attached as **Exhibit A**. As evidenced by the invoice, IRM's out of pocket expenses to repair these failing system components totaled \$9,174.00. IRM respectfully requests the approval of the emergency release of escrow funds pursuant to TPUC Rule 1220-04-13-.07(7) to facilitate the timely payment of these urgent capital expenditures.

Respectfully submitted,

**INTEGRATED RESOURCE
MANAGEMENT, INC.**

Invoice no.: 22861
 Terms: Due on receipt
 Invoice date: 08/06/2025
 Due date: 09/01/2025

P.O. Number: NRM - Sub-Panel Main-
 Panels

#	Product or service	Description	Qty	Rate	Amount
<p>Old panels exposed to sunlight for many years. None of the panels are working at 100%. Breakers are starting to kick more often sometimes twice in a week. Panels are no longer fully enclosed with lots of bugs and wasp nests getting inside which can cause electrical failure. All panels beyond repair and wiring has been stressed due to overload. Replacing wiring and digging in new conduit. Sub-panel material and labor and new wire to sub-panel replaced by Pat Murphy Electric Inc.</p>
