RE: *Petition of Limestone Water Utility Operating Company, LLC for Approval of and Authority to Borrow up to \$4,000,000 to Finance Additions and Improvements to Facilities and Acquisitions Pursuant to T.C.A. § 65-4-109, TPUC Docket No. 25-00066*

Dear Chairman Jones:

Since the submission of Limestone Water Utility Operating Company, LLC's ("Limestone") Petition in the above-referenced matter on August 27, 2025, Limestone and the Consumer Advocate Division in the Office of the Tennessee Attorney General ("Consumer Advocate") have been involved in cooperative discussions and have exchanged various information related to the Application. With the recent submission of the Consumer Advocate's Testimony of Clark Kaml, Limestone's Rebuttal Testimony of Brent Thies, and Limestone's Supplemental Testimony of Mr. Theis, the parties hereby jointly represent that there are no outstanding procedural matters requiring resolution by the Hearing Officer.

Moreover, after considering the entire record, including Limestone's responses to discovery, it is the joint position of the parties that this matter is ripe for consideration on the merits by the Tennessee Public Utility Commission ("TPUC" or the "Commission"). At this time, there remain no outstanding disputes between the parties with respect to this Docket, as clarified by and through discovery, the parties' communications, and pre-filed testimony. As reflected in the Pre-filed Supplemental Testimony of Brent Thies, there are no contested issues between the parties on the merits of the Petition, and it is the position of the parties that this matter should be resolved in favor of the positions set forth in Limestone's Petition, consistent with Mr. Thies' Supplemental Testimony. Consistent with agency practice, the parties hereby jointly request that the entire official record in this docket, including discovery, be made a part of the evidentiary record.

With the foregoing in mind, unless otherwise requested by the Commission, the Parties hereby waive both opening statements, the live presentation of testimony, and cross-examination

of witnesses by the Parties. Limestone Witness Thies and Consumer Advocate Witness Kaml will be available for the Hearing on the merits. Further, other than follow-up and/or clarifying questions in response to questions of any witness by a TPUC Commissioner or TPUC Staff, Limestone waives cross-examination of Mr. Kaml, and the Consumer Advocate waives cross-examination of Mr. Thies.

As required, copies will be mailed to your office. Should you have any questions concerning this filing or require additional information, please do not hesitate to contact me.
