Re: *Petition of Tennessee-American Water Company to Adopt an Annual Rate Review Mechanism and ARRM Tariff Pursuant to Tennessee Code Annotated § 65-5-103(d)(6)*

Dear Mr. Malone:

To assist the Commission in its continuing evaluation of this matter, please respond to the following requests for information:

1. Provide a proposed tariff page, "Original Sheet No. 12-ARM-20," regarding the Company's special contract customers. This page should address the proposed establishment of a volumetric ARRM surcharge or sur-credit in the event the Commission were to approve such treatment.
2. Provide a sample bill illustration showing (a) how the Company proposes to calculate a special contract customer's ARRM surcharge (sur-credit) and (b) how this volumetric ARRM surcharge (sur-credit) would be displayed on the customer's official billing if approved by the Commission.

A response is requested no later than Monday, July 13. In accordance with the Commission's rules, please submit your response electronically to the Docket Manager at tpuc.docketroom@tn.gov with the original and four copies also mailed to the Docket Manager. Should you have questions or need clarification of this request, please contact Craig Cox at craig.cox@tn.gov.

Sincerely,

Michelle Mairs
