***Re: Request to cancel ICG Telecom Group, Inc. Certificate, Docket No. 93-07922***

To Whom it may concern:

This letter will follow up on our letter of May 24, 2006, in which ICG Telecom Group, Inc. ("ICG") indicated it would notify the Tennessee Regulatory Authority once the transfer of its remaining customers to Xspedius was completed. ICG can now represent that the transfer of customers has been completed. This was also confirmed by BellSouth in its August 10, 2006 letter to the Authority (see attached).

Accordingly, ICG requests that its previously filed request to cancel its certificate and all tariffs be placed on a hearing agenda for conclusion as soon as possible.

Please direct any questions to me or our legal counsel Thor Nelson at Holland & Hart LLP, 303-290-1601.

Very truly yours,

RE: ICG Telecom Group, Inc.  
TRA Docket 93-07922

Dear Ms. Standley:

This is in response to your letter of May 3, 2006 addressed to Mr. Guy Hicks.

Our initial response to that letter, dated May 4 2006, indicated that BellSouth was providing some of the services listed in your letter to ICG Telecom Group, Inc. ("ICG") at that time. Since then, we have been working with ICG on this matter, and we can now report that BellSouth is no longer providing any of these services to ICG in Tennessee.

Please contact me at (615) 214-3839 if there are any questions.

Yours truly,

A handwritten signature in black ink that reads "Paul Stinson".
