

BEFORE THE TENNESSEE PUBLIC SERVICE COMMISSION

April 24, 1996

Nashville, Tennessee

IN RE: Petition of AT&T Communications of the South Central States, Inc. and AVR L.P. d/b/a Hyperion of Tennessee, L.P. for Withdrawal of Pending Chapter 1220-4-7; for Institution of a Rulemaking Proceeding in Compliance With Section 8 of Chapter 408 of the Public Acts of 1995; or in the Alternative, for the Serving of a Notice of Inquiry Leading to a Rulemaking Proceeding

Docket No. 95-02526

ORDER

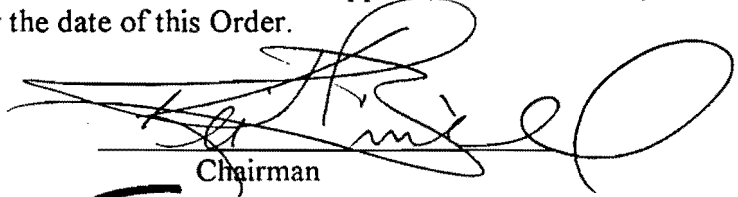

This matter is before the Commission upon its own motion. On June 20, 1995, the petitioners filed the above captioned docket. On June 27, 1995, the Commission in a related decision in Docket 94-00184 issued a "Notice of Amended Rule" accompanied by a modification of the local rules as prepared by the Commission Staff, requesting comments and providing that a public hearing would be held if requested. Thereafter, the proposed rules, as modified, were distributed to the parties, comments were filed, and a hearing was held on October 3, 1995. The effect of the Commission's decision in 94-00184 was to deny the petition "that the Commission withdraw the proposed rules", but the alternative proposed by the petitioners was in effect accomplished through the notice, comment cycle and hearing held in 1995 in Docket 94-00184.

The petitioners have been advised of the Commission's desire to close this docket and have raised no objection. Wherefore, the Commission is of the opinion that this docket should be closed.

IT IS THEREFORE ORDERED THAT:

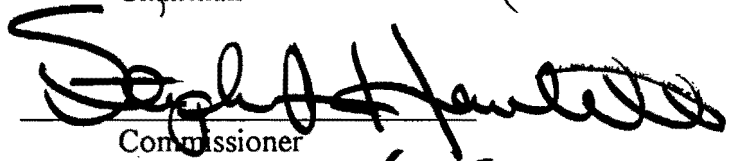

1. This docket is hereby closed; and
2. Any party aggrieved with the Commission's decision in this matter may file a Petition for Reconsideration with the Commission within ten (10) days from and after the date of this Order; and
3. Any party aggrieved with the Commission's decision in this matter has the right of

judicial review by filing a petition with the Tennessee Court of Appeals, Middle Section,
within sixty (60) days from and after the date of this Order.

Chairman

ATTEST:

Executive Director
