**ORDER**

Upon motion of AT&T Communications of the South Central States, Inc. ("AT&T") and MCI Telecommunications Corporation ("MCI"), by and through counsel of record, it has become apparent to the Commission that the above-referenced matters should not be heard upon the scheduled hearing date of Tuesday, January 9, 1996. The briefs which have been filed with the Commission in these matters reveal that the legal issues which would be presented in the scheduled hearing share common questions of law as those raised in a consolidated appeal involving the same parties who are now before the Middle Section of the Court of Appeals of Tennessee in Docket No. 01-A-01-9504-BC-00165.

Thus in the interest of judicial economy and the efficient use of Commission resources;

**IT IS THEREFORE ORDERED:**

- 1). That the hearing scheduled for Tuesday, January 9, 1996 be postponed and the entire docket be held in abeyance pending disposition by the Tennessee Court of Appeals in docket number 01-A-01-9504-BC-00165.
