Dear Mr. Roberson,

Enclosed is a completed application to extend the certification of Tele-SyS, Inc. dba Access America to include Resell Local Exchange services. I am assuming that the filing fee which we remitted with our original application for Facilities Based Local service certification will suffice for this application in view of the results of yesterday's proceedings. Please call me if it is necessary for us to submit a new filing fee. As you suggested yesterday, I am sending you a facsimile copy today and am mailing you a full copy also.

Thank you for your help and assistance.
