Re: Company ID #125537  
American Telecommunications Systems, Inc.

Dear Ms. Foreman,

We are in receipt of your letter dated 11/17/11 requesting our 2011 Statement of Gross Earning and Computation of Inspection Fee or notice that we desire our authority cancelled.

We are no longer providing telecommunication services in Tennessee and have not done business in Tennessee for quite some time. We find that the mandatory fees and required bond fee, just to stay certified in your state, are high enough to warrant our withdraw. So, therefore, we would like to request to have our authority to do business in the state of Tennessee cancelled.

If you need anything further from us, please let us know. We can be reached toll free at 1-866-493-0033 or by email at [ats@ats-firstcall.com](mailto:ats@ats-firstcall.com).

Sincerely,

Mr. Bill Stathakaros  
President and CEO

BEFORE THE TENNESSEE REGULATORY AUTHORITY  
Nashville, Tennessee April 17, 1997

IN RE: CASE NUMBER: 97-00214

Application for Authority to Provide Operator Services and/or Resell  
Telecommunications Services in Tennessee Pursuant to Rule 1220-4-2-.57.

--ORDER--

This matter is before the Tennessee Regulatory Authority upon the application of the above-mentioned company for certification as a reseller of telecommunications / operator service provider in Tennessee. The TRA considered this application at a Conference held on April 15, 1997 and concluded that the applicant has met all the requirements for certification and should be authorized to provide operator services and/or resell telecommunications services on an intrastate basis.

IT IS THEREFORE ORDERED:

1. That the above-mentioned company is issued a Certificate of Convenience and Necessity as an operator service provider and/or reseller of telecommunications services for state-wide service in Tennessee as specified in its application on file with the Authority.
2. That said company shall comply with all applicable state laws and TRA rules and regulations.
3. That this order shall be retained as proof of certification with this Authority, and may be used to obtain appropriately tariffed service and billing arrangements from Authority authorized telecommunications service providers.
