Re: Universal Service
Docket No. 97-00888

Dear David:

Pursuant to the TRA's request during the informal conference in the above proceeding, on 04/09/01 AT&T filed the run of the Hatfield Model wire center costs reflecting the input changes in the model adopted in Phase 2 of this proceeding. Inadvertently AT&T failed to file UTSE's run. AT&T apologizes for any inconvenience this may have caused. Attached is UTSE's run.

Sincerely,

Jim Lamoureux
