Re: *In Re: Petition to Convene a Contested Case Proceeding to Establish
"Permanent Prices" for Interconnection and Unbundled Network
Elements*
Docket No. 97-01262

Dear Mr. Waddell:

On January 18, 2001, BellSouth submitted a rate sheet along with additional information in response to the action taken by the Tennessee Regulatory Authority at its December 19, 2000 Conference regarding the referenced docket.

The rate sheet contained an error for three elements:

- P.1 2-Wire Voice Grade Loop with 2-Wire Line Port
- P.4 2-Wire ISDN Digital Grade Loop with 2-Wire ISDN Digital Line Side Port
- P.5 4-Wire DS1 Digital Loop with 4-Wire ISDN DS1 Digital Trunk Port

The rates included in the original filing incorrectly included certain vertical feature costs that should have been removed. I have attached corrected pages 11 and 12 of the exhibit which highlight the revised rates for elements P.1, P.4, and P.5. In all cases, the corrected rates are lower than the rates filed on January 18, 2001.

David Waddell, Executive Secretary
January 31, 2001
