Re: Citizens Communications Show Cause – Docket No. 97-07506

Dear David:

Enclosed are an original and 13 copies of our Centrex report showing provisioned vs. billed units demonstrating we are in compliance with our Centrex tariff. There has been no other activity relating to CPE transactions so there is nothing further to report.

Please let me know if you have any questions. I can be reached at 304.325.1216.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Michael Swatts". The signature is fluid and cursive, with a large initial "J" and "M".

Note 1 : The mismatch between Centrex lines and SLCs is attributed to one line being used for paging

Note 2 : There is a mismatch between Centrex lines and Wire Center charges because the CTC-VS Centrex tariff does not have a Wire Center component.
