**Re: Comcast Business Communications, LLC, ID 128133 – Notice of Discontinuance of
Resold Intrastate Interexchange Retail and Toll-Free Telecommunications Services**

Dear Mr. Roberson:

Comcast Business Communications, LLC (“CBC”), by counsel, hereby gives notice to the Tennessee Regulatory Authority (“TRA”) that it is discontinuing its provision of resold intrastate interexchange (“IXC”) retail and toll-free telecommunications services (collectively, “Discontinued Services”) throughout Tennessee on July 1, 2009. CBC is only discontinuing the Discontinued Services, and specifically requests that it retain its certificate to provide all other authorized services in Tennessee. CBC was authorized as a reseller of interexchange telecommunications service pursuant to Case No. 98-00251.

Although not specified in the TRA’s rules, pursuant to staff advice CBC sent affected customers 90-days notice of the discontinuance date on March 31, 2009. A copy of this notice is attached. CBC will file revised tariff pages with the TRA as soon as possible.

An extra copy of this letter is enclosed. Please date-stamp and return in the self-addressed envelope included with this filing. If you have any questions regarding this application, please do not hesitate to contact me.

Very truly yours,

Davis Wright Tremaine LLP

Dear :

Comcast Business Communications, LLC ("CBC") will be **discontinuing** the provision of resold intrastate interexchange retail and toll-free long distance telecommunications services on July 1, 2009 throughout Tennessee, subject to regulatory approval.

Your action is required! You must subscribe to another long-distance telephone service before July 1, 2009, or you will not be able to make long-distance telephone calls.

CBC will cooperate with you to transition your long-distance service to the carrier of your choice. After you subscribe to new long-distance service, please call your local telephone service provider to notify them of the change. Please contact our Customer Service 888-262-7300, option 3 should you need assistance or to obtain a refund of payments or deposits. Written inquiries may also be directed to:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of (carrier's name). Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Sincerely,

Communications Business Communications, LLC
