**Re: Comcast Business Communications, LLC – Clarification Regarding
Discontinuance of Telecommunications Services**

Dear Mr. Roberson:

The purpose of this letter is to clarify Comcast Business Communications, LLC's ("CBC") intentions with regard to its proposed discontinuance of intrastate interexchange telecommunications services ("IXC services") in Tennessee, notice of which was filed with the Regulatory Authority on April 1, 2009. In the initial filing, CBC requested that it retain its certificate. Subsequently, CBC determined that it would like to cancel its certificate to provide IXC services in Tennessee. Accordingly, CBC requests that the Regulatory Authority cancel CBC's certificate and requests permission to withdraw its Tennessee Rate Sheet Number 2.

An extra copy of this letter is enclosed. Please date-stamp and return in the self-addressed envelope included with this filing. If you have any questions regarding this clarification, please do not hesitate to contact me.

Very truly yours,

Davis Wright Tremaine LLP
