Re: *BellSouth Telecommunications, Inc. Tariff Filing to Introduce BellSouth 25¢ Call Plan Service*
Docket No. 98-00307

Dear Mr. Waddell:

On April 29, 1998, BellSouth filed a tariff to introduce the BellSouth 25¢ Call Plan Service, and on May 11, 1998, BellSouth filed revised tariff pages. On September 30, 1998, BellSouth agreed to waive the six-month deadline to investigate this proposed tariff and issue a final order pursuant to T.C.A. §65-5-203(b)(1).

On February 8, 1999, BellSouth implemented intraLATA presubscription. BellSouth's 25¢ Call Plan Service is an optional, competitive service which will benefit Tennessee consumers by providing lower rates and an expanded local calling area.

In light of the benefits this tariff will provide Tennessee consumers, BellSouth respectfully requests that the TRA establish a procedural schedule, and set this matter for a hearing on the merits as soon as possible.

Very truly yours,

Guy M. Hicks
