RE: CenturyLink Public Communications, Inc. (Company ID 128194)
Cancellation of Payphone Certification (Docket 98-00490)

Dear Ms. Lawless:

CenturyLink Public Communications, Inc. (CPCI) files this letter to notify the Commission that it hereby surrenders its Authority to Provide Public Payphone Service (COCOT) authorized and renewed in the above referenced matter, and requests the Commission issue an order, to the extent required, cancelling that authority.

CPCI has no customers in Tennessee. Therefore, no customers will be impacted and no customer notice is required. CPCI ceased payphone operation in the 4th quarter of 2019 and does not intend to provide this line of business in Tennessee.

CPCI requests the Commission cancel all authorization as granted in the above referenced docket.

Should you have any questions about this request for cancellation, please contact me.

Sincerely,

Brent Beal
Government Affairs Director
