RE: Application of BellSouth BSE, Inc. for a Certificate of Public Convenience and
Necessity to Provide Intrastate Telecommunications Services.

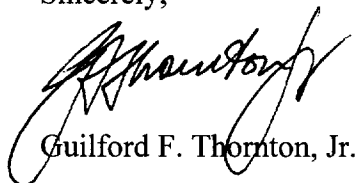

Docket #: 98-00879

Dear David:

Pursuant to my telephone conversation last Thursday with Richard Collier, the purpose of this letter is to confirm with the Authority that BellSouth BSE, Inc. ("BSE") has agreed to another extension of the sixty day period provided in TCA § 65-4-201 for the Authority to act on BSE's pending application. The previous extension expires today, June 1, 1999. I confirmed with Mr. Collier an additional extension to July 16, 1999, effectively adding another 45 days to the period set forth in the statute.

Should you have any questions or require anything further at this time, please do not hesitate to contact me.

Sincerely,

Guilford F. Thornton, Jr.
