AND NECESSITY TO PROVIDE SEWER SERVICES**

**DOCKET NO.

**ORDER GRANTING CANCELLATION OF
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY**

This matter came before Chairman Ron Jones, Director Pat Miller and Director Sara Kyle of the Tennessee Regulatory Authority ("TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on June 26, 2006. Terrabrook Ladd Utilities, LLC (the "Company") originally filed an Application for a Certificate of Public Convenience and Necessity ("CCN") to provide sewer services in Williamson County, Tennessee, on July 15, 1999. A Hearing was held on February 15, 2000. The Directors found that the Company had met all the requirements for certification and approved the Application. On April 20, 2006, the Company requested that the TRA cancel its CCN. Based upon careful consideration of the entire record in this matter, the panel voted unanimously to cancel the Company's CCN to provide sewer services in Williamson County, Tennessee.

IT IS SO ORDERED.

Ron Jones, Chairman

Pat Miller, Director
