Re: *Alliance Group Services, Inc. Petition for Leave to Intervene* in Docket  
99-00563.

Dear Mr. Steinhart:

Alliance Group Services, Inc. filed a Petition for Leave to Intervene in Alliance Network, Inc.'s Application for Certificate to Provide and/or Resell Interexchange and Local Exchange Telecommunications Services in Tennessee (Docket 99-00563) on August 4, 1999. The Petition was filed because of the similarity of the names of the two companies. Subsequent to that filing, September 24, 1999, Alliance Network, Inc. filed a copy of Certificate of Registration of Assumed Corporate Name with the Authority that was issued by the Tennessee Secretary of State on September 3, 1999.

On October 1, 1999, we received a letter from Mr. Patrick D. Crocker who is the attorney representing Alliance Group Services, Inc. in this matter. Mr. Crocker stated in the letter that his client would withdraw its opposition to Alliance Network Inc.'s application if the Tennessee Regulatory Authority granted Alliance Network authority to provide service in Tennessee under the assumed name C2K, Inc.

Please furnish the following information relating to the anticipated operation of Alliance Network Inc. d/b/a C2K, Inc. assuming the Authority grants approval of its CCN:

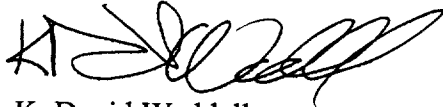

- 1) What is the full name the company (Alliance Network, Inc. d/b/a C2K, Inc.) will use to present itself to Tennessee customers and other carriers? This means the name that will appear in all advertisements, on company letterhead and on company business cards.

- 2) What name will the company use to identify itself when company representatives answer the telephone?

Please furnish this information by October 28, 1999. If you have any questions concerning this matter, please call Carsie Mundy at 615-741-2791 ext. 166.

Yours truly,
