In the matter of the Application of O1)
Communications of Tennessee, LLC for a) Docket No. 99-00861
Certificate of Public Convenience and Necessity)
to provide intrastate telecommunications services)

**MOTION OF O1 COMMUNICATIONS OF TENNESSEE, LLC
TO CHANGE HEARING DATE**

O1 Communications of Tennessee, LLC ("O1") hereby requests that the Tennessee Regulatory Authority ("TRA") change the established hearing date in the above-referenced matter now scheduled for January 10, 2001, to a date in late February 2001. O1 requests the hearing date be re-scheduled to a date in late February 2001 based on the following.

O1's President and General Counsel, Rudolph J. Geist, who will be representing the company at this hearing, is currently scheduled to attend the National ITFS Association conference in Orlando, Florida, from January 8-10, where he has previously committed to participate in a panel session. An exact time and date for this session has not yet been scheduled, but it will take place sometime during January 8-10.

O1 requests the TRA re-schedule the hearing to a date sometime during late February 2001 because the company's parent, SpectrumLink Networks, Inc., is currently in serious discussions with another telecommunications concern (the "Acquiring Company") regarding the sale of a 100 percent ownership interest of O1's parent (and O1), to the Acquiring Company. Although very close to reaching an agreement, the parties have not yet executed definitive documents, but do anticipate closing the transaction sometime in middle to late January 2001.

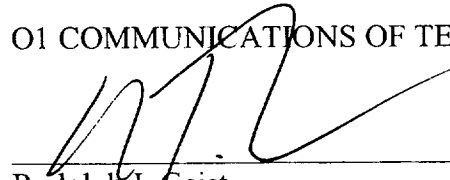

POSTED
12-14-00

Based on the potential that O1 may not close its transaction with the Acquiring Company until late January 2001, O1 requests that the TRA re-schedule its certification hearing to a date in late February 2001, to provide O1 ample time to close its transaction and provide any additional information about the Acquiring Company to TRA prior to O1's certification hearing. This will permit O1 to amend its certification application with information about its prospective new parent prior to any potential grant of certification by TRA, and eliminate the need that O1 immediately thereafter file a transfer of control application pursuant to TN Code §65-4-113, unnecessarily wasting resources of both O1 and the TRA.

Accordingly, O1 respectfully requests that the TRA change its currently scheduled certification hearing date from January 10, 2001 to a date in late February 2001.

Respectfully submitted,

O1 COMMUNICATIONS OF TENNESSEE, LLC
