Re: Amendment to Interconnection Agreement between BellSouth
Telecommunications, Inc. and BlueStar Networks, Inc.
Docket No: 99-00945 (Arbitration)
Docket No: 00-00202 (Interconnection)

Dear Mr. Waddell:

It is BlueStar Networks, Inc.'s understanding that BellSouth Telecommunications, Inc. has recently filed an Amendment, dated January 27, 2000, to our interconnection agreement. BlueStar supports the Commission's approval of the Amendment with the understanding that the rates contained in the Amendment are interim and subject to true up when either (1) the parties agree to new rates, or (2) the Commission orders rates for the listed items in any proceeding (e.g. an arbitration, a complaint or petition, or a generic cost docket). Any interpretation of the Amendment that would lock in rates after the Commission orders new rates in any proceeding would be contrary to public interest.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

Michael B. Bressman
Associate General Counsel
