PETITION FOR APPROVAL OF ITS 2025) **DOCKET NO. 26-00032**
ANNUAL RATE REVIEW FILING)
PURSUANT TO TENN. CODE)
ANN. § 65-5-103(d)(6))

PETITION TO INTERVENE

The Consumer Advocate Division of the Office of the Attorney General (“Consumer Advocate”), by and through Jonathan Skrmetti, Attorney General and Reporter for the State of Tennessee, pursuant to Tenn. Code Ann. § 65-4-118, respectfully petitions the Tennessee Public Utility Commission (“TPUC” or the “Commission”) to grant the Consumer Advocate’s intervention into this proceeding because consumers’ interests, rights, duties, or privileges may be determined or affected by the *Chattanooga Gas Company Petition for Approval of Its 2025 Annual Rate Review Filing* (“*Petition*”) filed by Chattanooga Gas Company (“CGC” or the “Company”). The Consumer Advocate would show as follows:

1. The Consumer Advocate is authorized by Tenn. Code Ann. § 65-4-118 to represent the interests of Tennessee consumers of public utility services by initiating and intervening as a party in proceedings before the Commission in accordance with the Uniform Administrative Procedures Act and Commission rules.

2. CGC is a public utility regulated by the Commission and provides natural gas service to residential, commercial, and industrial customers in Tennessee. CGC's principal office and place of business is located at 2207 Olan Mills Drive, Chattanooga, Tennessee 37421.¹

3. In 2019, CGC filed a petition seeking to opt into the annual review mechanism ("ARM") procedure established under Tenn. Code Ann. § 65-5-103(d)(6).² The Consumer Advocate and the Chattanooga Regional Manufacturers Association were separate intervenors in the 2019 docket. Also, certain members of the Commission Staff participated as Party Staff pursuant to Tenn. Rules and Regs. 1220-1-2-.21. The Parties negotiated a *Stipulation and Settlement Agreement*, which the Commission approved.³

4. Since the approval of CGC's ARM, the Commission has approved cost recovery in six ARM dockets. In the settlement of CGC's second ARM docket, TPUC Docket No. 21-00048, the Commission approved a proposed annual rate cap of \$6.8 million which expired after last year's docket. Below is a table of the six ARM dockets, the recovery requests, the revised recovery requests, and the recovery amounts approved by the Commission:

carrying costs, for the 2025 Historic Base Period to be \$8,506,471.²² The rate reset rate of return of 8.4% is higher than the authorized rate of return, 7.12%, which is due to the ARM normalization adjustment.²³ The difference between the actual rate of return for the reset and the authorized rate of return results in a revenue sufficiency of \$5,348,415. To reach its total rate adjustment, CGC calculates the total ARM deficiency of (\$8,852,699), plus the rate reset sufficiency \$5,348,415, and then adds the balance not recovered in the 2025 ARM. As a result, the total rate adjustment for this Petition is \$3,747,890.²⁴

6. The Consumer Advocate seeks to represent the interests of consumers served by CGC. The interests of consumers, including without limitation the proposed increase in rates to be paid by CGC's consumers, may be affected by determinations and orders made by the Commission with respect to: (1) the interpretation, application, and implementation of Tenn. Code Ann. § 65-5-103(d)(6) and other relevant statutory and regulatory provisions; and (2) the review and analysis of the supporting schedules and other documentation, financial spreadsheets, and materials provided by CGC.

7. Only by participating in this proceeding can the Consumer Advocate carry out its statutory duty to represent the interests of consumers.

8. CGC has no objection to the intervention of the Consumer Advocate in this Docket.

WHEREFORE, the Consumer Advocate respectfully requests that the Commission grant this *Petition to Intervene*.
