REBUTTAL TESTIMONY
OF
TIFFANI WEEMS

ON BEHALF OF
CHATTANOOGA GAS COMPANY

Q. PLEASE STATE YOUR NAME, POSITION AND ADDRESS.

A. Tiffani Weems, Manager, Regulatory Reporting, Southern Company Gas ("SCG"). My business address is 725 W Peachtree Street NW, Location 1686, Atlanta, Georgia 30308.

Q. ARE YOU THE SAME TIFFANI WEEMS WHO PREVIOUSLY FILED DIRECT TESTIMONY IN THIS PROCEEDING?

A. Yes, I am.

Q. WHAT IS THE PURPOSE OF YOUR REBUTTAL TESTIMONY?

A. The purpose of my rebuttal testimony is to present revisions to Chattanooga Gas Company's ("CGC" or "Company") 2025 Annual Rate Review Filing for the 2025 Historic Base Period filed on April 20, 2026 ("2026 ARM Docket Filing"). My rebuttal testimony identifies and explains the revisions reflected in Exhibit TW-3 and responds to issues raised by the Consumer Advocate. Although discussions between CGC and the Consumer Advocate are ongoing, the parties have not reached a settlement agreement at this time. If a settlement is reached, it shall be filed no later than July 27, 2026. The Company continues to believe that the revised ARM filing is reasonable, accurate, and supported, notwithstanding the Consumer Advocate's position to the contrary.

Q. ARE YOU SPONSORING ANY EXHIBITS?

A. Yes, I am sponsoring Exhibit TW-3. Exhibit TW-3 is a revised version of Exhibit TW-1 that was attached to my direct testimony.

Q. HOW DO YOU CHARACTERIZE THE REVISIONS TO THE 2026 ARM DOCKET FILING?

A. The revisions to the 2026 ARM Docket Filing were made through the discovery process between CGC and the Consumer Advocate. Corrections and adjustments have been identified in Schedule 1 of Exhibit TW-3.

Q. PLEASE DISCUSS THE ADJUSTMENTS IDENTIFIED IN EXHIBIT TW-3.

A. During the discovery process and subsequent negotiations, the Company made various adjustments increasing the Annual Revenue Requirement Rate Adjustment by $25,273 (TW-3, Schedule 1, Cell G25). Schedule 1 of Exhibit TW-3 includes a line item for each type of correction, identifying the impact to the deficiency, rate reset, and total rate adjustment. Additionally, Schedule 1 includes the location of the adjustments within the ARM model as well as notes regarding the adjustments (see the tabs and cells highlighted in yellow).

Q. PLEASE ADDRESS THE COMPANY'S LOBBYING ADJUSTMENT RELATED TO GOVERNMENT AFFAIRS AS DISCUSSED IN THE TESTIMONY OF MR. NOVAK.

A. As discussed in my direct testimony, CGC periodically reviews its costs to ensure they are properly classified, supported, and consistent with Commission requirements. As part of this ongoing review process, the Company reviewed costs recorded to CGC Government Affairs in 2025. Based on that review, the Company concluded that 25 percent of External Affairs activities should be excluded as lobbying and civic participation. Accordingly, the Company refined its adjustment and continues to appropriately exclude lobbying-related costs from rate recovery.

Please refer to the Rebuttal Testimony of Mr. Jeff Petrea for additional discussion of this adjustment.

Q. PLEASE ADDRESS MR. NOVAK'S RECOMMENDATION REGARDING GOVERNMENT AFFAIRS COSTS.

A. Mr. Novak recommends that the Company remove 100 percent of Government Affairs costs from cost of service. As Mr. Petrea explains in his Rebuttal Testimony, the Company continues to believe that the proposed 25 percent exclusion of Government Affairs costs appropriately separates lobbying activities from recoverable non-lobbying external affairs costs. But even if the Commission ordered CGC to continue to exclude 100% of Government Affairs costs, even though the vast majority of those costs have been found to *not* relate to lobbying activities, Mr. Novak's recommended total rate adjustment would not be accurate. Based on the Company's ARM model, removing 100 percent of Government Affairs costs from cost of service would result in a total rate adjustment of $3,293,240. This differs slightly from Mr. Novak's calculated total rate adjustment of $3,283,658.

Q. PLEASE ADDRESS THE COMPANY'S PROPOSAL FOR THE KORDSA SPECIAL CONTRACT RATE INCREASE AS DISCUSSED IN THE TESTIMONY OF MR. NOVAK.

A. Mr. Novak recommends that special contract customer Kordsa, Inc. be assigned a rate increase of 5.00%, with all other non-special contract customer classes increasing by only 4.52%. CGC submits that its previous recommendations regarding Kordsa were that Kordsa's rate increases be capped at 5.00% if other

customer classes were increasing at a higher amount, not that Kordsa's rate should be set at 5.00% when other customers' increases are less than 5%.[1] Therefore, the Company submits that if the Commission adopts Mr. Novak's revenue deficiency recommendations, that its rate design not set Kordsa at a higher rate than other non-special contract customers.

Q. IN SUMMARY, WHAT IS THE TOTAL RATE ADJUSTMENT INCLUDING CORRECTIONS AND ADJUSTMENTS THAT CGC IS SUBMITTING?

A. The initial filing included a total rate adjustment of $3,747,890. After agreed-upon corrections and adjustments totaling $25,273, and maintaining the 25% exclusion of Government Affairs costs, the total rate adjustment CGC presents to the Commission for approval is $3,773,163.

Q. DOES THIS CONCLUDE YOUR REBUTTAL TESTIMONY?

A. Yes.

[1] *See Order Approving Chattanooga Gas Company's Revised 2021 Annual Rate Review Filing Pursuant to Tenn. Code Ann. § 65-5-103(d)(6)*, p. 11, TPUC Docket No. 22-00032 (Oct. 28, 2022) ("Further, Mr. Hickerson asserted that removal of this language does not prohibit the Company from recommending a lesser rate increase for Kordsa.").

a/ Monthly summaries of plant data are extracted from the Company's enterprise solution, PowerPlan.
b/ There are topside entries recorded to the general ledger, resulting in the difference between the subledger and general ledger.
