DOCKET NO. 26-00036

**LIMESTONE WATER UTILITY OPERATING COMPANY, LLC’S MEMORANDUM
IN SUPPORT OF MOTION TO AMEND PROCEDURAL SCHEDULE**

Pursuant to Tennessee Public Utility Commission Rules 1220-01-02-.06 and 1220-01-02-.07, Limestone Water Utility Operating Company, LLC (“Limestone”) has requested that the Commission modify and extend the Procedural Schedule in the above-captioned matter. For the reasons set forth below, and for good cause shown, Limestone respectfully request that the Commission grant its motion.

I.

DISCUSSION AND REQUEST

Pursuant to the Procedural Schedule in this matter, the Company’s Rebuttal Testimony is due on October 12, 2026, which is also the Deadline for Filing Settlement Agreement, and the Target Hearing Date is November 2, 2026. Limestone’s responses to Commission data requests are also due on October 12, 2026. Due in part to conflicting regulatory schedules across multiple states, Limestone has conferred with the Consumer Advocate Division (“Consumer Advocate” or “CAD”) to determine whether the CAD has any opposition to this request. The CAD has no opposition.

Therefore, Limestone respectfully requests that the current remaining dates in the Procedural Schedule, including the Target Hearing Date, be postponed consistent with this Memorandum in Support and that the parties be provided an opportunity to develop and submit a proposed revised procedural schedule on or before October 20, 2026. Among other things, granting this request will also provide more time for the parties to cooperatively explore settlement.

II.

CONCLUSION

For the foregoing reasons, and for good cause shown, Limestone request that the Commission grant its motion. Limestone appreciates the cooperation of the Consumer Advocate Division.

Respectfully submitted,

Melvin Malone (BPR No. 013874)
