Dear Chairman Jones:

Attached for filing is a substitute page 19 to Limestone Water Utility Operating Company, LLC's *Joint Application of Limestone Water Utility Operating Company, LLC, and the City of Grand Junction, for Approval of the Acquisition of and to Operate the Saulsbury Distribution Water System, and to Transfer or Issue a Certificate of Public Convenience and Necessity*, which was filed on April 23, 2026, in the above-referenced docket.

For ease of reference, the correction to the PWSID# is as follows: on substitute page 19, subsection 7, sentence 2, "PWSID# 0000657" is changed to "PWSID# 0000610." With this correction on substitute page 19, the corrected sentence now reads: The TN water system number associated with the System is PWSID# 0000610.

A redlined copy of page 19 showing the correction to the PWSID# is also attached.

As required, the original plus four (4) hard copies will follow. Should you have any questions concerning this filing, or require additional information, please do not hesitate to contact me.

Sincerely,
