**RE: *Application of Limestone Water Utility Operating Company, LLC, to Expand its
Certificate of Convenience and Necessity to Serve the Troubadour Golf+Field
Club Subdivision, TPUC Docket No. 26-00063***

Dear Chairman Hilliard:

While Limestone is concerned about the late timing of the CAD's Petition to Intervene and hopes it does not delay consideration of the Application, it does not oppose the CAD's Petition. Limestone continues to seek a hearing prior to the scheduled November 2, 2026, Conference. The Application was filed in July, and the developer desires to move forward as quickly as is reasonably possible. Limestone does not oppose this matter being heard by an ALJ prior to November 2, 2026.

As required, copies will follow. Should you have any questions concerning this filing or require additional information, please do not hesitate to contact me.

Very truly yours,

BUTLER SNOW LLP
