

BEFORE THE TENNESSEE PUBLIC UTILITY COMMISSION

NASHVILLE, TENNESSEE

September 29, 2026

IN RE:

**RULEMAKING TO AMEND NOTICE
REQUIREMENTS FOR RATE-RELATED
PETITION IN TENN. R. & REGS. 1220-01-02-.23**

**DOCKET NO.
26-00079**

**ORDER OPENING RULEMAKING PROCEEDING TO AMEND
TENN. R. & REGS. 1220-01-02.23**

This matter came before the Tennessee Public Utility Commission (the “Commission” or “TPUC”) with all Commissioners voting during a regularly scheduled Commission Conference held on September 14, 2026. The Commissioners convened to consider opening a rulemaking proceeding to amend Commission Rule 1220-01-02-.23. During the Commission Conference, the Commission found that the notice requirements in Commission Rule 1220-01-02-.23 do not reflect the Commission’s original intent to apply those requirements to all rate-related petitions. Thereafter, the Commissioners voted unanimously to open a rulemaking proceeding to amend Commission Rule 1220-01-02-.23 and directed Staff to prepare and submit the appropriate rulemaking documentation to initiate and complete the amendment process.

IT IS HEREBY ORDERED.
