In Re: Docket No. 26-00097 - *Integrated Resource Management, Inc Request Pursuant to TPUC Rule 1220-04-13-07(7) The Emergency Release of Escrow Funds*

Dear Mr. Cox,

The Tennessee Public Utility Commission requires additional information to continue its review of the above-referenced Request. Please provide the following as soon as possible, but no later than November 4, 2026:

- 1.) Clarify the date on which the escrow funds were withdrawn and provide a bank statement confirming the withdrawal date.
- 2.) Clarify the current payment status of the invoice referenced in Exhibit A and provide documentation showing the updated status. The invoice submitted reflects a "Total Overdue" amount of \$2,953.40 as of August 1, 2026.
- 3.) Provide an update regarding the replacement of the second failed recirculation pump at Wild Briar. Exhibit B notes on August 12, 2026: "Wild Briar, 2 failed recirc pumps, only have one in stock. Will replace other ASAP."

If you have any questions or require additional assistance, please contact me at 615-770-6958 or via email at grace.vinson@tn.gov. Please respond by sending the original and four (4) copies along with an electronic file to:
