Subject: AT&T Business Name Change (Docket No. 26-00101)
Date: 23 October 2026, 13:54:17

Good afternoon, Ms. Kelly,

I'm reaching out regarding AT&T's recent business name change. In order for the Tennessee Public Utility Commission (TPUC) to update its internal systems, we'll need AT&T to provide the documentation required under TPUC Rule 1220-04-01-.08(a) and (c).

Specifically, we'll need:

- Verification that the new or changed business name has been registered with the Tennessee Secretary of State in accordance with the applicable requirements.
- A copy of the proposed notice that will be sent to AT&T's Tennessee customers informing them of the anticipated business name change.

Once we receive these items, we can move forward with updating our internal records.

Please let me know if you have any questions about what is needed or if I can provide any additional information.

Thank you for your help!

Kind regards,
Levia
